We collect use and disclose your personal information in accordance with British Columbia privacy laws. We only collect and use your personal health information: to verify your identity; accurately match your specimen with your results; follow-up for testing; enable payment; use of specimen for quality assurance and book and confirm appointments. We may also use population-level, aggregate information to evaluate our performance, contribute to health system improvement and to support market research. We disclose your results information to healthcare practitioners involved in providing care. If we are asked to disclose personal health information about you for another reason, other than as required or permitted by law, we will contact you to obtain your consent. Our privacy policy is available at www.lifelabs.com. Samples may be referred to a testing laboratory outside of British Columbia (to another province or Country). By agreeing to move forward with the laboratory test, you agree to the terms set out above
